

BIBLE READING PLAN:

If you use this plan everyday, you will have read through the whole Bible in a year. Way to go! If you miss a day, don't get discouraged. Always read TODAY'S passage. If you have extra time, you can go back and read a passage you missed. Don't stress out. Just read today's passage. If you do this, you will probably end up reading more of the Bible than you ever have. Don't quit. Keep going!
